

O & M Guide for Wallpaper

Paper-backed vinyls

Paper-backed vinyls offer an easy-clean finish for most non oil-based stains, and some resistance to knocks and scrapes. They are best used in 'low traffic' areas. With regular cleaning they will retain their original appearance for 3 - 5 years, depending on area of use.

Always carry out a trial in an inconspicuous area first, to ensure cleaning agent suitable. Clean with a mild non-soapy detergent with soft cloth, sponge or soft bristle brush to prevent build up of dirt and staining. Avoid polishes and abrasive cleaning agents as they will cause build up of dirt in the surface texture. Avoid strong active solvent cleaners as they can stain and damage the vinyl surface. Always clean from the skirting level upwards. Rinse thoroughly with clean water. Individual stains should be removed as quickly as possible.
